**PUBLIC NOTICE**  
**June 9, 2020**

## **The Township of Low is working for you!**

Road work was completed on O'Sullivan.

An aging culvert was replaced and updated. Gabion stone was installed to prevent erosion. 150 feet of ditching was also completed in an effort to help with drainage and remove the water from the road surface.

This road work was completed in a joint effort by our public works crew and local contractors.

A total of \$5,800.00 was invested in the project, it was financed through the public work budget.

Municipal Council and Municipal staff
