PUBLIC NOTICE

June 23rd, 2020

The township of Low is working for you!

Road work was completed on Farm road.

Ditches were cleaned to facilitate drainage. Gabion stone was installed to slow water down and to protect private laneway culverts.

This road work was completed in a joint effort by our public works crew and local contractors.

A total of \$1,850.00 was invested in the project, it was financed through the general public works budget.

Asphalt repairs are scheduled in the coming weeks, additional no parking signs will be installed and additional policing of the area was requested.

Municipal Council and Municipal staff
